The best kept secret on the KZN South Coast.....

We have the Indian Ocean right on our doorstep, with no roads or railway lines between the park and the beach.. Enjoy the peace & unwind from the pressures of daily life.. Relax, safe & secure with our night security.. Enjoy fun filled days, lazing on the beach, surfing fishing (licence required) or swimming in the beach tidal pool.. There is a freshwater swimming pool & paddling pool on the premises, as well as trampolines, swings & a play area for the kids.. Kids are also free to ride their bikes around the park..

While visiting the park come enjoy an affordable meal with the family at Johnno's Restaurant onsite.. Also onsite is a Superette for the essentials as well as a Bottle Store..

This small private park offers 37 grassed stands, all supplied with electricity & water.. We have family style ablutions with a laundromat, porta-potti disposal & scullery in the building..
